Everyday healthy cooking
for the entire family

The "Lamart brand by Piere Lamart" represents a wide range of modern, affordable cookware and utensils for playful cooking, which brings into your kitchen lightness, quality and refinement thanks to its quality manufacturing and modern design inspired by the late French chef Piere Lamart's philosophy of playful cooking.

Piere Lamart

France is renowned for its cuisine and is home to countless cafés and bars from which the culinary elite and a remarkable number of Michelin stars have arisen.

In the centre of one of the famous regions of Bretagne, on the fertile coast of the Atlantic Ocean, there is a little family restaurant where the chef Piere Lamart worked during his lifetime. This warm and jolly Frenchman was the heart and soul of his little family brasserie. Everybody in the neighbourhood knew him with his striped apron on, which he used to wear over his chef's jacket every day.

All his secret consisted in his hospitality, the way he treated his customers and the joy projected in everything he did. The Lamart by Piere Lamart cookware set is inspired by the experience, expertise and playful approach of this unique chef.

DUŠAN STÁDNÍK (Creative Master Chef)

"To prepare quality food and beverages it is not enough just to use excellent ingredients. As well as that, important are also the appliances and cookware used for their preparation. It is important that everything be of good quality and in symbiosis – that which you eat and which you prepare it with," says Dušan Stádník, chef and gastronomy instructor with many years of experience both from abroad and the Czech Republic, specialist in the Czech and regional cuisine.

Wild boar haunch grilled rolls filled with leek and cranberries

800 g trimmed wild boar haunch
4 tbsp cranberry compote
8 sage leaves
1 white leek part
70 ml oil
salt and pepper to taste

Preparation

Cut the wild boar haunch into four thin slices and tenderize them using a meat tenderizer (hammer/mallet). Tenderize the edges of the meat more. Salt and pepper the meat, and in the middle of each meat slice put the sage, cranberry compote and leek white cut into very thin noodles.

Fold the meat slices to make a pocket/roll. Use the mallet to join the meat rims together. Heat up oil on a pan to 190 to 200 °C. Sear on both sides for approximately 3 and 3 minutes. Then finish by roasting the rolls on a grate inside a preheated oven at 180 °C for 4 minutes.

Marinated wild boar haunch ragout with roast root vegetables

800 g trimmed wild bear haunch
0.7 L dry red wine
2 tbsp powidl (zwetschgen/plum stew)
100 g butter
100 ml oil
80 g cleaned carrots
80 g cleaned parsnip
80 g cleaned celery
8 juniper berries
1 tbsp caster sugar
2 tbsp quality tomato purée
salt and pepper to taste

Preparation

Cut the wild boar haunch into 3-cm pieces, put them into a bowl, salt, pepper, add the juniper and pour red wine. Leave the meat to marinate at room temperature for 12 hours. Stir it occasionally. After 12 hours, drain the marinade off the meat and retain the marinade. Place half the amount of butter and oil into a pot and heat this up, then add the marinated wild boar meat and sear it.

After searing it, remove the meat and in the base caramelize the purée with the sugar and plum powidl. Pour the already prepared red wine marinade on the mixture, add the meat and cook on mild heat for 70 minutes. Remove the meat once it is cooked, thicken the sauce as necessary with a butter thickener, which we lightly simmer on mild heat for 15 minutes. Then put the meat back into this new sauce. Season with salt, pepper and sugar.

Cut the cleaned root vegetables into 2-mm thick slices and then into thin noodles about 6 cm in length. Heat up the remaining butter in a pan and sauté the vegetable noodles until crispy.

Cooking

Pressure cookers

Chicken stewed on red wine with creamy mushrooms

1 yellow-meat or farmer's chicken
800 ml dry red wine
100 ml virgin olive oil
100 g butter
8 brown mushrooms
8 shallots / small onions
8 cloves of peeled garlic
1 large baby carrot or carrot
100 g English bacon rashers
2 tbsp tomato purée
sprig of thyme, rosemary, parsley
4 bay leaves
salt and pepper to taste

Preparation

Portion the chicken into 8 parts (fricassée). Salt, pepper and rub it in. Place this into a saucepan and pour in the red wine. Cut the cleaned carrot into 1 cm thick circles. Peel the garlic and shallot. Do not peel the brown mushrooms and do not remove the stems. In a preheated pot, fry the English bacon without oil, then remove it. Pour oil into the bacon fat, let it heat up and gradually sauté each piece of the prepared vegetables. Place the sautéed vegetables on a plate.

Remove the chicken pieces from the red wine and sear it over high heat in the fried bacon and vegetable gray. Sauté the potato purée in the gray for approximately 3 minutes. Then add the herbs, pour red wine and cook over mild heat until soft. Into this new sauce, add the sautéed vegetables and cook for another 10 minutes. The vegetables must remain crunchy after cooking. Season the sauce to taste with salt, pepper, sugar and then, in the end, add butter to smooth it up.

Fondue

Swiss fondue

400 g higher fat cheese (Emmental,
Gouda, ...)
dry white wine
1 clove garlic
1 tbsp potato starch
100 ml cherry brandy

Preparation

Wipe out a fondue pot with the clove of garlic, put in grated cheeses and baste with about 100 ml of wine. Heat up slowly while constantly stirring to melt the cheese. As soon as the cheese has melted, baste with wine to achieve a thick sauce consistency. When the cheese has melted, pour in alcohol and starch dissolved in a small amount of wine. Again, dilute to the required consistency. Lower the flame only to maintain the temperature. Using a fork, dip a piece of bread, baguette or other favourite pastry into the sauce.
